4. Buildings Report: Liz Plater-Zyberk urges us to find dollars for landscaping Dr. Jackson's Office grounds. Report that monies for library construction proposed to Community Development was approved, but not confirmed. Referred to a committee re: whether to glass in the porch. Question raised whether to turn a section of the building into a library and move HQ elsewhere. Committee: Tim, Rene's wife, Liz P., Sallye. Re: Wagner Homestead: need additional dollars. Training neighborhood folks as docents being considered. A person involved with antiques has volunteered to furnish the structure. Tim says \$35-\$40M needed to finish the job. Dan Paul recommends going to the City

Commission for more. Chairman says will take on the job of preparing the pitch. She to submit outline to Dan who says he'll take it to the Commission.

5. No report on Programs.

6. No report on Education.

7. Re: Corporate development. Tim. \$125 to Nancy Weinstein for brochure work. Now is the time to get individual members.

8. Library Chairman: no report.

9. Legislation: Rene. Re: Heritage Conservation Ordinance. Need to get passed in city. Sallye urges a write-in campaign. First review February 17th. Statement needs to be prepared in support of DHT position. Political realities to be discussed by Rene's committee. Sallye, Dolly and Rene to meet following report on the Ordinance coming the 4th.

10. Re: First fund-raising and membership good-times weekend tour to Cassadaga and environs in a new series will take place April 16-19. Herb's report. Details forthcoming for general distribution.

11. Antiques Show: 26 signed up. Volunteers needed. Sallye reports.

12. Historic Sites: no chairperson yet. Ms. Berlow agrees to co-chair. Two reports:

Brown-Kramer Residence: P. Thompson reports. Can be moved. Otherwise lost. Margaret Pace Park? DHT or S.F.A.I.A. to move in? University of Miami School of Architecture? Incorporate into structure to be built? No one thinks this is workable. \$70M to move it, not including cutting apart, site preparation and reconstruction. Well into six figures for all of it. Proposal is to also request upkeep fund from the developer T. Hollo. \$150-\$175M to cover all moving costs. Maybe \$10-\$12M annual upkeep. Recommendation by Dan Paul to get Tibor to move it or pay equal amount to DHT, c. \$75M.

Sears Tower: meeting 2pm February 4th including several proponents. February 11th and March 25th City Commission Meetings/Hearings. Dan tells of meeting with Traurig and developers: Either move tower or bulid exact replica elsewhere. No solution yet. Only enormous fight can get it back on the Ordinance. Dan says organize, make big noise.

13. Re: Antiques Auction: \$ report distributed. Committee will come together soon. Carl Weinhardt, others will lunch soon with new ideas. Fell short this year.
